## Prefazione

**I veri intenditori non bevono vino:  
degustano segreti.** (Salvador Dalí)

E' proprio dall'idea di scovare segreti, dalle piccole realtà italiane ed estere, che nasce questa carta enologica. Vini con vitigni autoctoni recuperati sapientemente dalle nuove generazioni, affiancati a etichette prestigiose. Ogni gusto custodisce ricordi, ogni gusto custodisce emozioni.

-Cheers-
